Welcome to Nitro Pro

Be a Nitro Pro in no time by following these simple steps:

1

EDITING

First, go to the **"Edit"** tab and click the **Edit cursor**. Double click on the orange text below to change the font, size, and color. When you're done, click on the **Finish Typing** icon on the right side of the ribbon.

At Nitro, we're changing the way the world works with documents.

2

SIGNING

Next go back to the **"Home" tab** and apply your **QuickSign** signature below.

X _____

3

CONVERTING

Lastly, convert this document to Word with the changes you've made.

If you find yourself stuck, check out our video tutorials for step-by-step instructions.
